Meet your teacher [Mr Joel Weiner](#)

If you were ruler of your own country what would be the first law you would introduce?

I'd instil the 6 Kinds of Best!

Who was your favourite teacher at school and why?

In year 12 had 3 amazing teachers for English, PDHPE and IPT (computers). My PDHPE teacher channeled my love for sport into my learning and showed me how to apply that to other subjects. My English teacher understood that I needed a little more time to read through all the content and she gave me the support I needed to be successful. Finally, my IPT teacher expected nothing less than 110 percent of our effort and we all rose to her high expectations! These three teachers have definite inspired my teaching style to find a

student's passion, understand the type of learner they are and by encouraging them to give their best.

If you had to describe yourself as an animal, which one would it be?

A puppy.

If you could share a meal with any 4 individuals, living or dead, who would they be?

Michael Jackson – would love to hear the stories behind his music and maybe have a jam!

Harrison Ford – Han Solo and Indiana Jones, who wouldn't want to meet him!?

Benji Marshall – my favourite footy player!

John Mayer – my favourite guitarist!

If you could travel to any year in a time machine, what year would you choose and why?

1969 – it would be amazing to experience the moon landing!

If you could change one thing about yourself, what would it be?

Sometimes I get a little shy and it takes me a while to get involved in something. Sometimes it's just great to jump straight into an experience and not hold back!
