CREATING LEARNERS FOR LIFE

Know Your Teacher – **Liraz Itzhak-Tzion**

**If you were ruler of your own country what would be the first law you would introduce?**

The first rule I would introduce would be free education and health care for all.

**Who was your favourite teacher at school and why?** My Torah (Jewish studies) teacher at high school. She showed us how the Torah is a part of our everyday life and the wisdom behind it. Also, that there is no such thing as an incorrect question or answer.

**If you had to describe yourself as an animal, which one would it be?** Lioness.

**If you could share a meal with any 4 individuals, living or dead, who would they be?** My two grandmothers, Michael Jordan and Benjamin Netanyahu (because I find him fascinating).

**If you could travel to any year in a time machine, what year would you choose and why?**  
The day the world was created, to find out how it all happened.

**If you could change one thing about yourself, what would it be?** To have endless courage.

**What is one thing money can't buy that you are grateful for?** My family

**What would you sing at Karaoke night?** Don't Stop Believing

**If you could only eat one meal for the rest of your life, what would it be?** My mother's Cuscus

**If you could go back in time to change one thing, what would it be?** I wouldn't change anything. If I would have changed something it might affect my life and the life of my surroundings (the butterfly affect).

**What three items would you take with you on a deserted island?** Since it's only objects, I would take a tent, mattress and a blanket.

**What was your favourite subject in school?** It changed over time, I have to say it was always dependent on the individual who taught me.
