THE LAKES COLLEGE

Café Volunteers Needed

Working as a volunteer in the Cafe is an excellent way of getting to know other parents, the teachers and the College environment.

Proceeds from the Café also provides valuable funding for extra student and/or classroom needs that are not covered by College fees.

We welcome expressions of interest from family members of enrolled students who could assist with kitchen-hand duties such as cleaning, washing up, stock filling, napkin folding, etc. Due to strict WHS guidelines volunteers will not be involved with food preparation tasks.

At this stage, we are looking for volunteers to assist on a weekly basis for a term long commitment between 10.30am - 1.30pm.

Volunteers would be expected to meet with Café management to discuss expectations prior to appointment.

Successful applicants will be provided training prior to commencement.

All volunteers are provided lunch, a cuppa and great company.

Thank you for your valuable assistance.
